

Spill-Over Tanning Ledges Something New and *Exciting*

If you like being on the cutting edge of things, how about adding our newest addition, the fiberglass spill-over tanning ledge, to enjoy in your vinyl pool!

Built fiberglass strong, these tanning ledges come in several styles to accommodate the most discriminating vinyl pool owner.

As you've come to expect from Latham, our Spill-Over Tanning Ledges are offered with one of the best warranties available.

Spill-Over Spas

For a soothing waterfall effect, choose one of our Spill-Over Spas.

These spas feature textured, slip resistant steps, in a spacious large capacity spa. Each spa is vacuum formed from a single sheet of acrylic, then over-laid with fiberglass for added structural support.

Acrylic spas are available in three colors, white, blue granite, and grey granite, which match all of our steps, and coordinate with the Latham family selection of liners. Relax with reassurance, as they are backed by a Five-Year Prorated Limited Warranty.
