BUILT FOR YOUR

*Lifestyle*

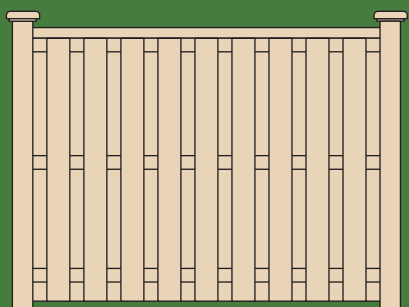

PRIVACY • SAFETY • SECURITY • RESIDENTIAL • COMMERCIAL

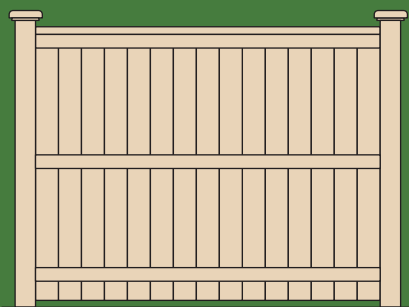

Whether you need privacy, or a protective barrier for your children or pets, a traditional natural wood fence is a practical addition to your home. South West will work with you to custom design and build a fencing solution that will incorporate the functionality you desire. Choose from a large variety of fence and gate styles. Each and every installation is backed by our 15 Year Installation Warranty. At South West, our mission is to go beyond your satisfaction.

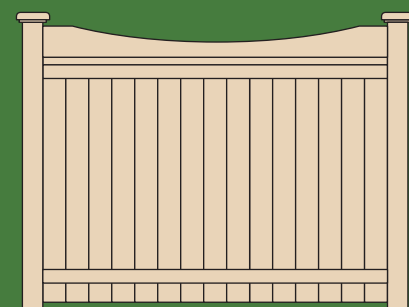

# EIGHT PRESSURE-TREATED WOOD FENCE STYLES

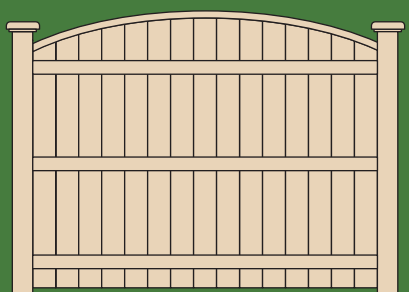

**GOOD NEIGHBOUR FLAT TOP**

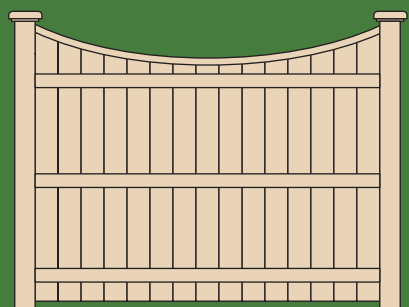

**TRADITIONAL BOARD ONE SIDE  
FLAT TOP**

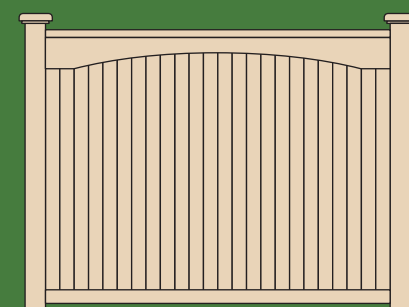

**SCALLOP TOP**

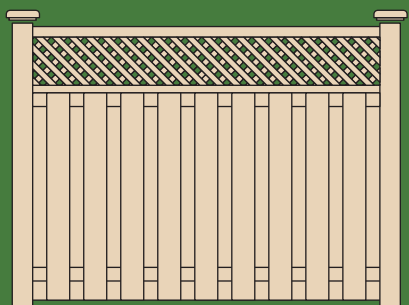

**ARCHED TOP**

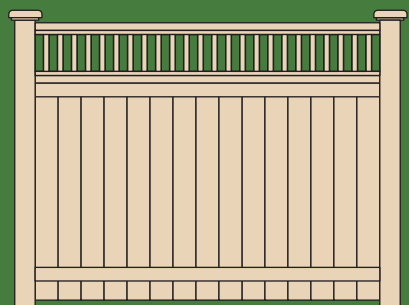

**REVERSE ARCHED TOP**

**LOUVERED INVERTED SCALLOP**

**GOOD NEIGHBOUR LATTICE TOP**

**BOARD ONE SIDE  
TWO BY TWO ACCENT TOP**

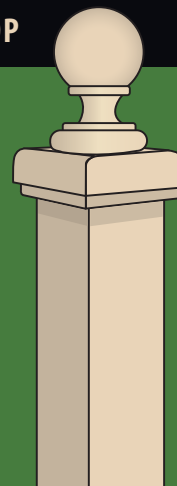

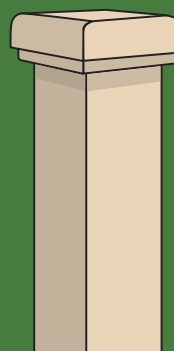

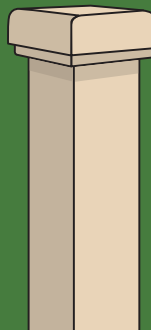

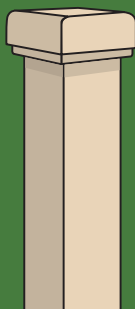

## WOOD FENCE POSTS & CAPS

4"x4"

5"x5"

6"x6" / BALL TOP

Post caps not only protect your post tops from rotting, but can also add a unique element of design to your fence. Posts are also available in three different sizes.

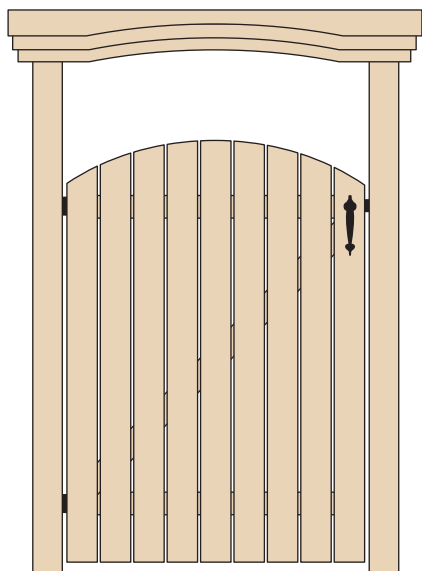

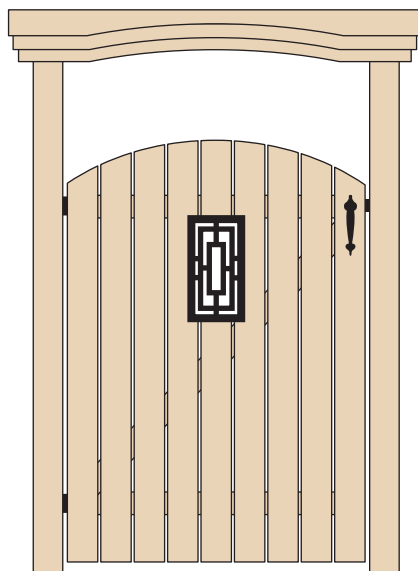

A gate is the entrance to your backyard retreat, and can say a lot without speaking a word. It says welcome home with the natural warmth and comfort of wood. Accent your gate with an ornamental wrought iron window, and hardware. Or for a touch of elegance, add an ornamental wrought iron gate to your newly-designed wood fence and overhead.

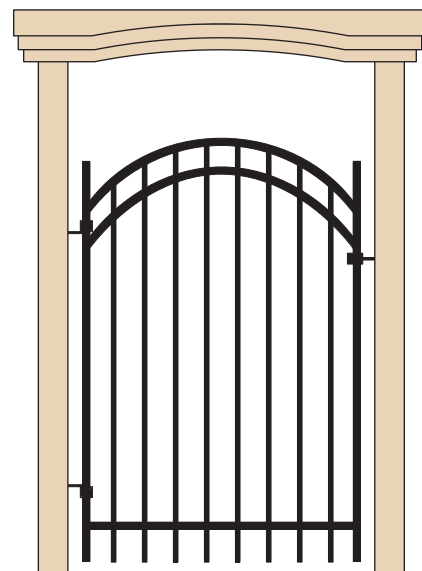

## STANDARD GATE STYLES

**STANDARD WOOD GATE  
WITH WOOD OVERHEAD**

**WOOD GATE WITH WOOD OVERHEAD AND  
ORNAMENTAL WROUGHT IRON WINDOW**

**WOOD OVERHEAD WITH ORNAMENTAL  
WROUGHT IRON GATE (2110 ARCH TOP)**

Installation pricing and taxes are not included  
Gates are available in alternative styles and sizes at additional cost  
Double gate configurations are also available

- Black ornamental lockable thumb latch assembly included
- Black ornamental self-closing P-hinges included
- Ornamental wrought iron finish type: Polyester Powder Coating (min. 2.5 mils thickness)
